*Standard on Electric Start Models

MFS20

Claiming the title of lightest weight outboard in its class, Tohatsu's MFS20 is a great choice for a wide variety of boaters. This 20hp battery-less electronic fuel injection 4-stroke has exceptional torque and top end speed, with low vibration.

Also available on many models is the Power Tilt feature. The 20hp Power Tilt is ideal for inflatable, fishing, and pontoon boats.

Offered in Aqua Marine Blue and Beluga White, boaters can choose which engine best fits their style.
